JEAN-CHARLES BOISSET

WHAT MAKES HIM HAUTE

Famous for his flamboyant personality and his fantastical style, Burgundy-born Jean-Charles Boisset brought his signature French flair to the Napa Valley and Sonoma County with the purchases of De Loach, Raymond Vineyards and Buena Vista Winery, the oldest premium winery in California. The proprietor of Boisset Family Estates, which includes 22 wineries in France and California, continues to expand his empire. Last month, he opened the elegant JCB Tasting Salon and Atelier by JCB in Yountville, after debuting the JCB Lounge in The Ritz-Carlton, San Francisco.
